**Re: 15th Annual "Make A Splash" Water Festival**

You are invited to the 15th Annual "Make A Splash" Water Festival! The festival will be held at the Dickinson Recreation Center, September 18th and 19th, 2014. The fifth grade classes located within the Southwest Pipeline Project Service Area are guaranteed a fun-filled day of educational presentations and hands-on activities focusing on our most valuable resource, water.

There is no fee to attend, but we ask each school to provide transportation to and from the event. If travel expenses are an issue, we suggest you consider carpooling with a nearby school. Attached is a registration form for the event. Completed schedules and planning information will be sent to participating schools in early September. Note the following session times:

- Thursday, September 18, AM Session: 9:00 a.m. – 11:35 a.m.
- Thursday, September 18, PM Session: Noon – 2:35 p.m.
- Friday, September 19, AM Session: 9:00 a.m. – 11:35 a.m.

**Please contact me at 701-225-0241 with any questions. We look forward to seeing you at the festival!**
